

**Notice of Endangered Status for the 2016 Plan Year
for
Teamsters Pension Plan of Philadelphia & Vicinity**

This is to inform you that on March 30, 2016 the Plan actuary certified to the U.S. Department of the Treasury and to the Plan sponsor that the Plan is deemed to be in endangered status for the Plan year beginning January 1, 2016. Federal law requires that you receive this notice.

Endangered Status

The Plan is considered to be in endangered status because the January 1, 2016 funded percentage (plan assets as a percentage of liabilities) is less than 80%. More specifically, the Plan's actuary has determined that the January 1, 2016 funded percentage is 72.7%. An accumulated funding deficiency is not projected to occur at the end of the 2016 Plan year or at the end of any of the next following six Plan years.

Funding Improvement Plan and Reduction in Future Benefits

Federal law requires that pension plans in endangered status adopt a funding improvement plan aimed at improving the financial health of the plan. The law also requires the Plan to furnish the bargaining parties with proposed schedules that modify future contributions and/or benefit accrual rates in order to meet certain benchmarks for improving the Plan's financial condition over a period of years. The Trustees adopted a funding improvement plan at their August 12, 2010 meeting. The plan that was adopted is expected to help the Plan emerge from endangered status by the end of the funding improvement period through various benefit reductions and supplemental contribution increases.
