Subject: Labor Department Looks at 401(k) Fees

The quarterly 401k statements from my employer do not disclose any fees assessed to my account. I was told they are charging me fees, but no disclosure of what the fees are.

My employer does not offer a pension, so I must fund retirement savings myself, and to make intelligent decisions I need to know if the fees I am being charged are too high.

It needs to be mandatory that all fees be listed on quarterly statements!
