Subject: March 20 hearing

I am requesting that David L. Wray, President, Profit Sharing / 401k Council of America, be permitted to testify at the March 20-21 hearing on the proposed rule for disclosure of service provider compensation and conflicts of interest. The Profit Sharing / 401k Council of America (PSCA) is a national, non-profit association of 1,200 companies and their 6 million plan participants. PSCA represents its members' interests to federal policymakers and offers practical, cost-effective assistance with profit sharing and 401(k) plan design, administration, investment, compliance and communication. Members range in size from Fortune 100 firms to small, entrepreneurial businesses. Mr. Wray also served as Chair of the ERISA Advisory Council when the council examined plan fee disclosure issues.

Mr. Wray will provide the perspective of plan sponsors, particularly from small and medium sized businesses, on the proposed rule. His comments will generally follow the PSCA comments that were filed in conjunction with other employer organizations on February 11, 2008.
