Subject: Comment in support of RIN 1210-AB30

April 24, 2010

Please support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

A strong rule is vital that would not permit insurance companies to charge higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care.

Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

Sincerely,

Andrew Pearson
