Subject: Comment in support of RIN 1210-AB30

April 24, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care. Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

This is just another reason the war on drugs will never work. We either destroy their lives and put them in jail for years and years with no hope or help if and when they get out or We refuse them help when needed. STUPID IS AS STUPID DOES!!!

Sincerely,

Jason Turuc
