Subject: Comment in support of RIN 1210-AB30

April 25, 2010

My letter to you today is to voice my support for the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would bar insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care.

I appreciate your help in this matter so that mental health care and physical health care coverage can be kept in a single deductible.

Sincerely,

Marianne Crafts-Brandner
