Subject: Comment in support of RIN 1210-AB30

April 26, 2010

I support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

This strong rule would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care, and I support it completely. I appreciate your ensuring that mental health care and physical health care coverage are included in a single deductible.

Sincerely,

Steven Lowen
