Subject: Comment in support of RIN 1210-AB30

April 26, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care. Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

As a therapist, it has become clear that physical symptoms are strongly connected to mental/emotional/spiritual issues. In addition to the issue of fairness, it is cost effective to deal with these to prevent and ameliorate physical conditions.

Sincerely,
