Subject: Comment in support of RIN 1210-AB30

April 28, 2010

Please support mental health parity rule as requested by President Obama. It is long overdue. The current situation is discriminatory foto those who suffer from mental illness. Be grateful you are not one of them.

. I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care. Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

Sincerely,
