## General Comment

Stay away from MY Money! It is not yours, and never was. The Federal government has screwed up everything it has ever touched. How about leaving my money, left over after your exorbitant taxes to feed the lazy, to me. Hundreds of thousands, Dept of labor statistics, have made welfare a way of life as their only form of income, not to mention 45% of the Ga state budget going to illegals. Will you ever stop rewardind criminals, and the permanently lazy?
