Document: EBSA-2010-0050-DRAFT-0548

Comment on FR Doc # 2015-14921

Submitter Information

Name: David Roberts

General Comment

In a time where our government is run by politicians that can't keep their own bills and finances in order, why would you want to take over hard working Americans savings. You have your own house to get in order. It seems politicians are the problem and not the solution. Please let something in the hands of the American people who are paying your salaries. Leave our retirement alone.

Thank you
