General Comment

I am so sick of this dam president thinking he knows more about my life them I do. I know exactly what I need to do and until he can get this country out of the debt he put is in he has NO RIGHT TO TELL ME how to plan for my retirement fix your. Own mistakes mr.president and make it to when younger generations are ready to retire, the money they have put in by working and paying their taxes to social security that it will be there for them. You Mr president are a sorry excuse for a leader. This is my American right to speak my mind I am one PROUD AMERICAN to see your term over .
