General Comment

President Obhama,

I am smart enough to plan for my retirement. Ask us if we are interested in your intentions to help us plan for our retirement. We are as interested in being told by you what to do with our retirement as you and Michelle are as interested in us telling you what to do. What a pity you are spiritually smashing your elbow in Jesus's heart. We are human beings just like you and Michelle and as a matter of fact a. we knew before we voted for you who pulled your strings and b. in spite of your not being 100 percent for the middle class and disadvantaged financial citizens, we know you will find the Godly Divine intelligence within yourself TO DO THE RIGHT THING and lay of planning to be involved in our retirement. This negative energy that goes around will come around and if you are truly wise YOU KNOW YOU CAN'T CHEAT GOD AND CAN't CHEAT GOD CHILDREN!
