To whom it may concern:

Re; Responsible for Me!

I am old enough to take care of my retirement. And if I can't, I have no one to blame but myself. If you don't take care of me because you don't know what your, (government), doing. I will blame you and you will be responsible for loosing the only money I have. "Hell hath no fury like a woman scorned". I wouldn't want to be, "government", if you lost my life. I'm not rich like,"The good ol'e boys club". I would have nothing or no one. I wonder if I could find a woman lawyer or would take my case pro-Bono. People will fight for their lives. You are over stepping your boundaries! STOP, before you make one of the biggest mistakes of your/my life.
