Subject: RIN 1210-AB33

I work for NASA at the George C. Marshall Space Flight Center. I am NOT in favor of the government messing with defined contribution plans, such as my thrift savings plan, under the guise of ensuring retirement security for people, like me, who have individual retirement funds.

I am NOT in favor of the proposed annuitization of 401Ks.

I am NOT in favor of RIN 1210-AB33.
