614 W Taylor St.

Kokomo, IN,

Government Agency Type: Local

General Comment

I do not want "right of conscience" removed from Obamacare. It is not right that people who have beliefs that who violate their conscience to hand out birth control pills. We don't force people to take religious things that don't believe in the Bible and yet you want to force Christians to hand out birth control pills. We are to respect your wishes but you don't want to respect our beliefs. The least you can do is respect our beliefs.
