---

To Whom It May Concern:

I strongly object to the mandate that all "contraceptives" and sterilization procedures be covered by private health insurance with no co-pay to patients! This is simply WRONG!

Also, the conscience rights of insurers, providers and people like me who object to being forced by the federal government to offer or subsidize contraceptives and sterilization services need to be protected.

Sincerely,  
Yvonne Barton  
Littleton, CO 80122
