**Subject:** ObamaCare Regulations re Pregnancy Termination  
**Date:** Friday, September 30, 2011 3:35:36 PM

---

Gentlemen,

I vigorously protest the provisions of this regulation as regards the termination of pregnancies. Human life is sacred, and taking the life of a defenseless baby in the womb (or otherwise) is an abhorrent act unbecoming a civilized country.

I ask you to withdraw the provisions of this regulation that enable or support the early termination of pregnancies.

David A. Engels
