Document: HHS-OS-2010-0018-DRAFT-0059

Comment on FR Doc # 2010-17242

Submitter Information

Name: jennifer keefe

Organization: california family health council

General Comment

- Realize that contraception is part preventive care for women, and access to wide-ranging contraceptive care is in the best interest of women's health, children, and our communities.
- Support cost-sharing for preventive care services like contraception.
- We will not accept anymore unnecessary and unreasonable delays in access to contraceptive care as preventative health services.
