Re: Interim Final Rules for Group Health Plans and Health Insurance Issuers Relating to Coverage of Preventive Services; etc. (Document ID HHS-OS-2010-0018-0001)

- * I strongly support cost-sharing for preventive care services.
 - * Contraception is ESSENTIAL preventive care for women, and better access to comprehensive contraceptive care leads to better health for women and children.
 - * Women deserve to have the same protections for preventive health care as everyone else, without any unnecessary and unreasonable delays.
