Phone: 2199024482

Organization: National Association of Realtors

General Comment

As a Realtor in an industry that requires many rules and regulations to be a part of, I believe it is essential to our profession to have affordable health care options. As an independent contractor the prices are outrageous, many Realtors have had to leave the profession and find jobs because they were in need of health in insurance. By allowing professional trade organizations the ability to provide group health coverage is vital to the sustainability to our profession.
