Financial Factors in Selecting Plan Investments

Comment On: EBSA-2020-0004-0002
Financial Factors in Selecting Plan Investments

Document: EBSA-2020-0004-DRAFT-0395
Comment on FR Doc # 2020-13705

Submitter Information

Name: Philip Lefcourt

General Comment

The federal government must not prevent American citizens from investing in socially responsible investments through their 401(k)s. The American People reject Trump's attempts to invest their hard-earned tax money in toxic futures!
