Document: EBSA-2020-0004-DRAFT-0919
Comment on FR Doc # 2020-13705

Submitter Information

Name: Sean Mooney

General Comment

I am writing in opposition of Financial Factors in Selecting Plan Investments Proposed Regulation (RIN 1210-AB95). I am opposed to this rule and recommend that it not be implemented. Like so many other Americans, I prefer to have more flexibility in where I choose to invest. Approving this rule would greatly impact how choices are made, and therefore, requesting that the rule not be approved. Thanks for your time and consideration.
