Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Comment On: EBSA-2021-0013-0001

Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Submitter Information

Name: Kenneth Clark

General Comment

I am a federal government employee, and this proposal is long overdue. There should be several options in the TSP for fossil-fuel free investing. There's a great deal of financial risk in those investments now. Forcing employees to invest in fossil-fuel investments is forcing us to lose money on failing ventures. We should at least be given some options.
