Comment On: EBSA-2021-0013-0001

Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Submitter Information

Name: Donnie Robinson

General Comment

As regarding my retirement, the money that my employers and I have paid in is not the government 's money to do with as they please as other presidents in the past have done. I worked for my money and expect it to take me till the end of my life. I would appreciate it the government would keep their theiving hands off of it. Thank You
