Comment On: EBSA-2021-0013-0001

Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Submitter Information

Name: Lowell Spears

General Comment

There is nothing this administration is doing that I agree with. Each and every one of the current administration officials show be impeached and thrown in jail for treason and theft. Leave my money and affairs to me and my investment people. I can assure you that I can do a better job than anyone in this administration can do. You people in power now are there for your own personal gain and power. You are not working for the betterment of the people or our country.
