Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Comment On: EBSA-2021-0013-0001

Prudence and Loyalty in Selecting Plan Investments and Exercising Shareholder Rights

Document: EBSA-2021-0013-DRAFT-3087

Submitter Information

Name: Mary Selbig

General Comment

I against the proposed ESG change to the ERISA. The primary obligation of a fiduciary is to not push a specific product but to act financially in what's going to make their client the best return. If an American citizen wants to invest their retirement in ESG funds or other forms of woke investing, thats their choice, but the government should not manipulating policy to push these ESG funds.
