

Notes on Changes to the 2012 *Private Pension Plan Bulletin*

January 2015 Update

- Certain amounts included in the Highlights section were based on an earlier version of this report. These amounts were corrected to match the most recent version. Overall, this change has minimal impact on aggregate statistics or trends.

October 2014 Update

- Table D3 was missing a row of data for profit sharing and thrift-savings plans. The rows of data that were included needed to be shifted downward by one row.
