ADDITIONAL COMMENTS:

Both State of Oregon and federal funds are expended to cover the full cost of Career Services provided to Oregon businesses and citizens. The composition of state and federal funds used varies based on the allowable funds available, timing of financial decisions, and approval of contract reimbursements. Per the agency's federally approved cost allocation plan, applicable staff charge their time to an intermediate cost pool, and costs are allocated based on job seeker services recorded in our data system. Program specific staff direct charge their specific programs. The final calculations and fiscal business decisions occur after time sheets have closed for the month. In program-year 2022, the Oregon Employment Department expended the following on Wagner-Peyser chargeable services.

Federal Funds: \$16,946,011.71
State of Oregon Funds: \$41,078,374.83
Total Funds Expended: \$58,024,386.54

¹Applies to Title I only.
²This indicator also includes those who entered into a training or education program for the Youth program.
³Credential Rate and Measurable Skill Gains do not apply to the Wagner-Peyser program.
⁴Barriers to Employment are determined at the point of entry into the program.
