Notes:

- Data come from WIOA 9130 financial reports for the 03/31/21 reporting period accessed from E-Grants on 09/09/21.

- Aberrations, such as negative obligation rates or those over 100%, usually result from errors or adjustments in 9130 reporting for prior periods being corrected in current period reports. They are a result of reporting on a cumulative basis and an ETA policy that limits the States's or Territories's ability to correct quarterly reports.

Notes:

- Data come from WIOA 9130 financial reports for the 03/31/21 reporting period accessed from E-Grants on 09/09/21.
- Aberrations, such as negative obligation rates or those over 100%, usually result from errors or adjustments in 9130 reporting for prior periods being corrected in current period reports. They are a result of reporting on a cumulative basis and an ETA policy that limits the States's or Territories's ability to correct quarterly reports.
