## General Comment

I am not for this at all!! This is another way for the Biden administration and government to put their hands in something that is not their business!!  
The government should stay out of We The People's lives and stop trying to put their paws on OUR hard earned investments and money!!!  
This is not a socialist nation and We The People should not be treated as such!!  
Smaller government equals less government hand outs - this is not their responsibility - its our right!!!

GOVERNMENT SHOULD STAY OUT OF OUR LIVES AND WORK FOR US  
NOT AGAINST US!!!

Term Limits!!
