General Comment

Thank you for the time and consideration if you do indeed view this comment.

I am a member of the public in Boston, Massachusetts. I have spent much time educating my self on finance and I believe these proposed changes are absolutely necessary to protect the investment funds of all workers in the USA. Please support these changes on behalf of the residents of Boston and the workers of the USA as a whole to ensure investments are not gambled away by malicious actors.

Best Regards,
Anthony
