Posting of Hearing Transcript Regarding Proposed Amendment to Prohibited Transaction Class Exemption 84-14 (the QPAM Exemption) and Closing of Reopened Comment Period

Submitter Information

Name: Ernst Reichwein

General Comment

Team- you already know this has gone way too far for way too long. If you kill the current QPAM rule now, you can restructure it to work behind the auction house requirements. You have a rare opportunity to show the retail investor market you care, and give you the path you need for the US cbdc market. Make the right choice...
Sincerely, E. R.
