President's Management Council	Chief Operating Officers (usually Deputy Secretaries) of agencies convene at OMB	Dep Sec

President's Pay Agent Responsibilities	The Secretary of Labor along with the Directors of the Office of Management and Budget and the Office of Personnel Management make up the President's Pay Agent. The law requires the President's Pay Agent to submit a report to the President each year showing the locality-based comparability payments it would recommend for General Schedule employees. The report also compares rates of pay under the General Schedule to non-Federal pay, identifies areas in which a pay disparity exists and specifies the size of the disparity, and includes the views of the Federal Salary Council which makes recommendations to the Pay Agent. The Pay Agent report is due 13 months before the start of the calendar year for which it is prepared. For example, by November 2016 the Pay Agent must submit a report to the President with recommendations for CY 2018. The President's Pay Agent recommendations regarding the adjustments for locality rates in the General Schedule Pay Scale are based on the combination of wage and work level data from the BLS Occupational Employment Statistics (OES) and National Compensation Survey (NCS) programs.	BLS, OASAM
President's Task Force on Puerto Rico	The President's Task Force on Puerto Rico's Status (Task Force) was created by President Clinton in 2000. The Task Force's sole focus at that time was to examine proposals for Puerto Rico's future status and for a process by which Puerto Ricans could choose a status option. President Bush continued the Task Force's sole focus on the issue of political status. The Bush Administration's Task Force issued reports in 2005 and 2007. On October 30, 2009, President Obama signed Executive Order 13517, which directed the Task Force to maintain its focus on the status question, but added to the Task Force's responsibilities by seeking advice and recommendations on policies that promote job creation, education, health care, clean energy, and economic development on the Island	OCIA, ETA, OSEC
