## Recommendations

Received (0)   **Given (1)**

Sanjo Thomas
Director, Cloud Operations at Oracle
November 10, 2011, Sanjo worked with ⬛ in the same group

Sanjo was a key person from our remote office who was always able and willing to assist in major projects, crisis management and day to day activities. He managed his team well and always responded professionally to our requests while using his highly effective technical skills to work as a team partner.
