

ILAB TECHNICAL COOPERATION PROJECT SUMMARY

PROJECT TITLE	STRENGTHENING THE EVIDENCE BASE ON CHILD LABOR THROUGH EXPANDED DATA COLLECTION, DATA ANALYSIS, AND RESEARCH-BASED GLOBAL REPORTS
REGION/COUNTRY	Global
PROJECT DURATION	September 2008 – June 2013
FISCAL YEAR & FUNDING LEVEL	FY2008: \$5,028,453
PROBLEM TO BE ADDRESSED	<p>Despite progress in the collection and dissemination of data on child labor, a number of countries remain without reliable statistics on child labor needed to guide policies and operational activities. Worst forms of child labor constitute a particularly important remaining gap in many national contexts. Trend data are also lacking in many countries, impeding efforts to gauge national progress against child labor.</p> <p>Development objective:</p>
PROJECT OBJECTIVES	<p>To contribute to the elimination of child labour, particularly through increased statistical information and research for improved policy and programme formulation.</p> <p>Immediate objectives:</p> <ol style="list-style-type: none">1. Increased national knowledge base on child labour statistical information, including the worst forms in selected countries;2. Increased national capacity to collect and analyze child labour data through training of selected national counterparts on child labour concepts, data collection methods; and3. Extended global information base on child labour and strengthened means of child labour information dissemination through support to global publications and policy research.
SUMMARY OF ACTIVITIES	<ul style="list-style-type: none">• National Child Labor Surveys (NCLS) in Albania, Lao PDR, Mauritania, Paraguay, and Uganda;• Supplementary support to modular child labor surveys in seven countries;• Studies (5) on the worst forms other than hazardous work;• Provide training on child labor data collection, analysis, and related activities; and• Global publications and policy research including a world report on child labor, global child labor estimates, and research on corporate social responsibility.
