

## COMPOSITION ROOFERS LOCAL NO. 42 PENSION PLAN

### 2024 NOTICE OF CRITICAL STATUS

*April 2024*

On March 25, 2024 the actuary for the Composition Roofers Local No. 42 Pension Plan (“Plan”) certified to the U.S. Department of the Treasury and the Plan Sponsor (“Board of Trustees”) that the Plan is in “critical status” for the 2024 Plan Year. The 2024 Plan Year began on January 1, 2024 and will end on December 31, 2024. Federal law requires that you receive this Notice.

#### Critical Status

On June 28, 2023 the Pension Benefit Guaranty Corporation approved the Plan’s application for Special Financial Assistance under the *American Rescue Plan Act of 2021*, and on July 31, 2023 the Plan received \$33,624,525.40. With the receipt of the Special Financial Assistance, the Plan is not projected to become insolvent, even though the Plan’s suspended benefits were restored on August 1, 2023. However, as a result of accepting Special Financial Assistance, the Plan will be deemed to be in critical status through the 2051 Plan Year.

#### Benefit Adjustments under the Existing Rehabilitation Plan

In an effort to improve the Plan’s funding situation, the Board of Trustees adopted a rehabilitation plan. Since the Plan is not expected to emerge from critical status, the updated rehabilitation plan includes the use of the “exhaustion of all reasonable measures” as allowed under the *Pension Protection Act of 2006* (PPA). This means that on an annual basis, the Board of Trustees will review updated projections based on reasonable actuarial assumptions to confirm that the rehabilitation plan is continuing to forestall insolvency and to determine if the Plan can expect to emerge from critical status at a later date. Scheduled progress will be determined based on the Plan continuing to forestall its insolvency.

The Plan Sponsor has taken the following legally permitted actions to prevent insolvency:

The Board of Trustees adopted a rehabilitation plan that includes changes in the Plan’s Early Retirement, Disability Retirement, and Death Benefits, as well as scheduled increases in the hourly contribution rate. In addition, as of April 30, 2010, the Plan is not permitted to pay lump sum benefits (or any other payment in excess of the monthly amount paid under a single life annuity).

If the Board of Trustees determines that further benefit reductions under the rehabilitation plan are necessary, you will receive a separate notice in the future explaining the effect of those reductions. Any reduction of adjustable benefits will not reduce the level of a participant’s basic benefit payable at normal retirement.

You can request a copy of the Plan’s rehabilitation plan, any updates to such plan, and the actuarial and financial data that demonstrate any action taken by the Plan toward fiscal improvement by contacting the Plan Administrator.
