General Comment

It's been brought to my attention, you are making New regulations concerning "My retirement". You have been in charge of the Amtrak for 30 years and we are still to this day subsidizing the funds and You in charge of the United States Postal System, and How much have you had to infusion the system because of misappropriation of funds?

And You think your better equipped to handle "MY" retirement....

I think NOT when You can show me and the American People that we don't need to subsidize Healthcare, Amtrak, USPS, then we can talk till then this is a "Closed" subject.

You spend too much and you take from... and never ever give back....

Please You have NO right,,, No right at all,,, and Now you want to take and make a Bigger PONZI Scheme...

Please !!
