Comment on FR Doc # 2015-14921

Submitter Information

Name: Robin Boles

General Comment

I do not want my retirement planned by the government! I am smart enough to plan for my retirement, and so are others. We do not need the government's help in deciding how our 401Ks or other retirement options will be used. We have so many agencies out there to help us with retirement, so if someone does need help they can ask and get it. Do not make it mandatory!!
