**Subject:** RIN 1210-AB32 Keeney Request to testify at August 10, 2015 fiduciary duty hearing

I submitted a 4-page comment on this proposed regulation, opposing the provision which will allow securities broker-dealers to require mandatory arbitration of individual retirement investor disputes.

I am requesting the opportunity to testify at the public hearing on this regulation now scheduled to be held in Washington on August 10-13, 2015.

Please advise as to what day I will be called to appear, and how long I will be permitted to speak.

Thank you for your consideration of this request. Please feel free to phone, email or text me regarding this request.
