General Comment

I am 80 years old: my wife is 78. We are pleased with the assistance we receive from our brokers on our portfolio (over 10% growth on retirement funds of over \$1`M. We are quite capable of working with our advisors. We would like the federal government to but out!

My wife pulled her funds away from a smaller firm. The costs of figuring out your rules was too much for them to handle responsively.

Please drop this nonsense and get out of our lives.
