Subject: RIN 1210-AB79

To Whom It May Concern:

I am writing to urge the Labor Department to immediately delay and then repeal the RIN 1210-AB79 fiduciary rule. The rule is an unnecessary government intrusion into the free market and the financial decisions of American citizens. It is based on false assumptions and questionable government authority. Please help return America to its founding principles by ridding our nation of these overbearing rules.

Kind regards,
Kristina Kershner
