Subject: I oppose the Delay of the Fiduciary Rule

Bernie Madoff cause countless financial losses for people who thought he was giving them honest advice. We do not need to protect people like Madoff.
The Dept. of Labor's proposal to delay the implementation of the Fiduciary Rule is ill-conceived at best. To implement this Rule is in the best interests of those of us who depend on our investments for our retirement. It is also in the best interests of reputable financial advisors. I urge you to implement the Fiduciary Rule now. **DO NOT DELAY**
