**Subject:** The Fiduciary Rule

To the Honorable Department of Labor Secretary Alexander Acosta,

Dear Secretary Acosta,

Thank you for your willingness to serve as Secretary of Labor for our President, Donald Trump.

I have recently learned of the Department of Labor's "Fiduciary Rule and Impartial Conduct Standards" which may be implemented this June 9<sup>th</sup>, 2017 unless you act to delay or stop it.

From what I understand about this rule, it will not actually help me and my fellow middle-class small investors. Nor will it help improve the investment industry or help our country in general. I understand that what it will do is create yet another government grab of power, which is what I do not want.

I ask that you would work quickly to delay indefinitely or completely rescind the fiduciary rule under your statutory authority.

Thank you for listening.

Sincerely,

Kim Bucklin
