Subject: RIN 1210-AB82 - enforce the fiduciary rule
Date: Thursday, July 20, 2017 6:20:46 PM

Department of Labor,

We are in a retirement security crisis — depending on every dollar we can save to afford a basic standard of living. Conflicted advice costs retirement savers \$17 billion each year. The current fiduciary rule is the right way to deal with this problem.

Please protect us by fully implementing and enforcing the fiduciary rule.
