Dear U.S. Department of Labor,

Remember, baby boomers vote the millennial generation doesn't. If you want to keep your seat and want the Republicans in power, remember those people who voted you in there. You originally voted for Americans to invest their money into the market and then what happened? 2008.

Take away your retirement given, yes, given, to you by the people, and see how it would be for you.

Thank you for taking the time to read my email.

Sincerely,
Ms. Melinda Cheshire
