## General Comment

Being able to buy and sell options, both puts and calls in my IRA has allowed me to earn more income than just thru dividends and the very low bond interest.

I would hope that the EBSA would not remove this opportunity. As a retiree, any increase to my IRA is beneficial to me and my family in the years ahead. I now take a minimum distribution so am required to reduce my principal every year, whether I need the funds or not. Thank you for considering my comment. Karl Reuther, Akron, Ohio.
