General Comment

Please do not further restrict our ability to trade options in our retirement accounts- IRA's, 401k's, etc. Many of us significantly augment our accounts by trading options and we need the money. We are not irresponsible children who need the government to control our ability to manage OUR money. Thank you for keeping ISIS away, keeping our food safe, building our roads, etc. But please don't ruin my finances. My wife and I want to continue to enjoy our retirement with our children and our grandchildren.
