General Comment

This option trade provision (rule) is unfair and this should not be included! We should decide for ourselves!

I have taken the time to learn proper options trading. By doing so it has Grown My Retirement Account! If used properly in an IRA account some option trades actually reduce risk, rather than increase it. It is Not difficult.

Please remove this rule! We deserve every retirement savings tool at our disposal.

Thank you for doing the right thing and removing this rule!
