General Comment

Hello.

The intent of this rule is commendable, but AS WRITTEN it unfortunately has its faults that in my opinion need amendment before I can support this. IRAs are Long Term Investments and I want the ability (as I have had since inception - and which encouraged me to begin and continue depositing to my IRAs) to TRADE OPTIONS allowed by the current regulations. Please do not eliminate this ability as it is integral to my and many others' investment/trading strategies for IRAs.

Thank You!
